

SUPREME COURT**1. New Case Type – Westchester County Supreme**

A new case type has been added for Westchester County Supreme Court, “Other Matters – Bureau of Administrative Adjudication – City of Yonkers”.

2. SCAR Filings – Address Fields Added

When filing single or bulk SCAR cases, the owner’s address has been added as input fields when entering SCAR information. These fields are required.

3. Select Case Type Error Message

When filing to an existing case, on the Add Documents page you are required to answer whether or not the action will remain the same. The error message for not answering the case type question has been changed from “Please select the radio button to answer if Case Type is being the same.” to “Please select the radio button to answer if Case Type will remain the same”.

4. Home Page

A new box has been added on the right side of the page to show login links for each court.

5. Program Correction – Home Page Left Menu

The link to Surrogate’s Court has been corrected on the Home Page, both on the left menu and the footer.

6. Program Correction – Email Address

When updating an email address on the My Accounts page, new validation has been added to allow different email formats.

7. Program Correction - Confirmation Notice

The Confirmation Notice that appears on the Thank You page will now show the “phone number” that exists on the My Accounts page.
